RIGHT TO ATTEND, APPOINT A PROXY AND VOTE REMOTELY

In accordance with Article 14 of the Articles of Association, shareholders who are able to prove that they hold 100 or more shares registered in their name five days before the date on which the General Shareholders' Meeting is to be held, may attend the General Shareholders' Meeting. In addition, shareholders who hold less than 100 shares may appoint as proxy one of them to attend on their behalf if jointly they hold the required number of shares.

To attend the General Shareholders' Meeting, shareholders must present the attendance and voting card – which will be issued, upon presentation of proof of share ownership, by an entity member of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores or such body as may replace it, or by the Company itself – duly completed for this purpose, together with their Spanish ID card or any other valid official document generally accepted for this purpose to prove their identity.

In accordance with Article 522 of the Spanish Companies Law, each shareholder entitled to vote at the General Shareholders' Meeting may appoint another person as his/her proxy. A proxy may be appointed:

(i) In writing:

To appoint a proxy in writing, shareholders must send to the Corporate Secretariat (Avenida del Parc Logístic, 12-20, 08040 Barcelona), the document containing the proxy appointment or the General Shareholders' Meeting attendance and voting card issued by the depositary entities or the Company, duly signed and with the printed form of proxy duly completed, including voting instructions for each item on the agenda.

(ii) By electronic means:

Shareholders entitled to attend may appoint by electronic means another shareholder or any natural or legal person as their proxy before the General Shareholders' Meeting. A shareholder who wishes to appoint a proxy by electronic means must have an appropriate digital certificate.

To appoint a proxy using a digital certificate, the shareholder entitled to attend the General Shareholders' Meeting must go to the Company's website (www.cellnextelecom.com) and follow the instructions displayed on each of the screens of the program provided for that purpose.

To prove their identity, shareholders wishing to appoint a proxy by electronic means must access the website using a digital certificate and follow the instructions contained in the "Ordinary General Shareholders' Meeting 2021/ Electronic Voting and Proxy" section of the website.

Proxy appointments, whether made in writing or by electronic means, must be received at least one day before the day scheduled for the General Shareholders' Meeting on first call, i.e. before 11.59 p.m. on 24 March 2021.

If no voting instructions are given, the proxy will be deemed to vote in favor of the resolutions proposed by the Board of Directors. A proxy may act as proxy for more than one shareholder, without limitation as to the number of shareholders represented, and may cast separate votes on behalf of each shareholder, in accordance with each shareholder's instructions.

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

If no voting instructions have been given because a matter is not included in the agenda, or if no voting instructions have been given in respect of resolutions not proposed by the Board of Directors, the proxy will vote as he/she considers to be in the best interests of the Company and the shareholder he/she represents.

Any proxy appointment that does not name the person who is to act as proxy will be deemed to appoint the Chairman of the General Shareholders' Meeting.

Unless indicated otherwise by the appointing shareholder, if a proxy has a conflict of interest, that proxy will be deemed to have appointed the Secretary of the General Shareholders' Meeting, jointly and in succession, as his/her proxy.

For the purposes of Articles 523 and 526 of the Spanish Companies Law, shareholders are informed that the Chairman of the General Shareholders' Meeting (if the General Shareholders' Meeting is chaired by the Chairman of the Board of Directors) and any other member of the Board of Directors may have a conflict of interest (i) in respect of item 4 ("Approval of the Board of Directors' management and activity in the year ended 31 December 2020"), item 5 ("Directors' remuneration"), 6 ("Remuneration of the executive director: remuneration linked to the Company's shares"), item 7 ("Number of members of the Board of Directors. Ratification and re-election of members of the Board of Directors") and item 14 ("Consultative vote on the annual report on directors' remuneration for the year ended 31 December 2020"); and (ii) in any of the cases specified in Article 526.1 of the Spanish Companies Law (appointment, re-election or ratification of directors; dismissal or removal of directors; legal action against a director; and approval or ratification of the company's transactions with a director) that may legally arise without being included in the agenda.

If a shareholder attends the General Shareholders' Meeting physically or electronically, or is found by the Company, five or more days before the day scheduled for the General Shareholders' Meeting on first call, to have disposed of his/her shares, any proxy appointed previously by that shareholder will be revoked. Moreover, a proxy appointment may always be revoked by the same means as it was made.

In the event that a shareholder attends the General Shareholders' Meeting physically, any electronic attendance by that shareholder will be without effect.

Shareholders entitled to attend may also cast their votes either by attending the General Shareholders' Meeting (physically or electronically) or by casting their votes by distance communication:

(i) By post:

To vote remotely by post a shareholder must send the attendance and voting card, with the space for specifying the vote duly completed and signed, to the Corporate Secretariat, Cellnex Telecom, S.A., Avenida del Parc Logístic, 12-20, 08040 Barcelona.

(ii) By electronic means:

Shareholders entitled to attend may also exercise their voting rights by electronic means. To do so, shareholders must have a digital certificate.

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

To vote electronically, shareholders must go to the Company's website (www.cellnextelecom.com) and follow the instructions displayed on each of the screens of the program provided for the purpose of voting.

To prove their identity, shareholders wishing to vote by electronic means must access the website using a digital certificate and follow the instructions contained in the "Ordinary General Shareholders' Meeting 2021/Electronic Voting and Proxy" section of the website.

Votes cast remotely must be received by the Company at least one day before the day scheduled for the General Shareholders' Meeting on first call, i.e. before 11.59 p.m. on 24 March 2021. Shareholders who vote remotely will be considered to be present at the General Shareholders' Meeting for the purpose of determining whether there is a quorum. Consequently, any proxy appointments made previously will be deemed to have been revoked and any proxy appointments made subsequently will be deemed to have no effect.

A shareholder who votes by post or by electronic means but fails to place a mark in any or all of the boxes provided to indicate the shareholder's vote on the various items on the agenda will be deemed to vote in favor of the resolutions proposed by the Board of Directors. Unless expressly indicated otherwise, in respect of resolutions not proposed by the Board of Directors or items not included in the agenda, the Chairman of the General Shareholders' Meeting will be deemed to be appointed as proxy and the rules on proxy voting and replacement of proxies in the event of conflicts of interest will apply.

Votes cast by means of distance communication will be rendered null and void if the shareholder who cast the votes attends the General Shareholders' Meeting (physically or electronically) or, five or more days before the day scheduled for the General Shareholders' Meeting on first call, is found by the Company to have disposed of his/her shares.

Notwithstanding the foregoing, the following rules on the relative priority of proxy and distance voting are provided for any cases in which doubts may arise:

- Where a shareholder has validly appointed a proxy by electronic means and also appoints a proxy by means of an attendance, proxy and remote voting card printed and issued by an entity member of the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores or such body as may replace it or by the Company itself, the printed card will prevail over the electronic appointment, regardless of the date on which each appointment was made.
- Where a shareholder validly appoints more than one proxy or casts more than one vote by electronic means, the last appointment or the last vote received by the Company within the stipulated time will prevail.

Joint holders of shares may also vote, appoint a proxy or attend the General Shareholders' Meeting. For the purposes of Article 126 of the Spanish Companies Law, it is presumed that any joint holder who, at any time, attends, appoints a proxy or votes has been appointed by the other joint holders to exercise their rights as shareholders.

The Company reserves the right to modify, suspend, cancel or restrict the electronic voting and/or proxy appointment mechanisms when advisable or necessary for technical or security reasons.

In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

The Company will not be liable for any loss or damage caused by overloads, failures, line closure, connection failures or similar events beyond its control that may temporarily prevent the use of the electronic proxy appointment and/or voting systems.
