Likewise, the owners of shares who hold a number lower than said amount may also be represented by one of them if, when grouped together, they own that number of shares.

For this purpose, the shareholders must attend the Meeting with the corresponding attendance and voting card, which will be issued by the Entities forming part of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores (Iberclear) or a body that replaces it or by the company itself, subject to proof of ownership, duly completed for this purpose, that shall be provided on the

General Meeting day together with the National Identity Card or any other official document in force generally accepted for these purposes to prove the identity.

In accordance with the provisions of article 522 of the Capital Companies Act, any shareholder with a right to vote at the General Meeting may be represented by any person, with the possibility of establishing the power of representation:

(i) In writing:

In order to confer their representation in writing, shareholders must submit to the company, Corporate Secretariat, Juan Esplandiú, 11-13 28007 de Madrid, the document in which the representation is conferred or the attendance and voting card for the Meeting issued by the depositary institutions or by the company, duly signed and completed in the section containing the printed form to confer representation and containing the request for instructions to exercise the right to vote and the indication of the direction in which the representative will vote on each of the items on the agenda.

(ii) By electronic means:

The shareholders with the right to attend may delegate their representation to a shareholder or to any natural or legal person through electronic means of communication prior to the meeting being held. To make use of this power, the delegating shareholder must have an electronic signature certificate.

The delegation with electronic signature certificate by the shareholder with the right of attendance must be carried out through the company's website (www.cellnextelecom.com), following the instructions which are given in each of the screens of the program created for this purpose.

For the purposes of proving their identity, shareholders who wish to delegate by electronic means must gain access using an electronic signature certificate, following the instructions contained in the "General Meeting 2018 / Electronic Delegation" area of the website.

The delegation in writing and by electronic means must be carried out at least five days before the date scheduled for holding the meeting on the first call, i.e. before 23:59 hours on 24 May 2018.

In the absence of voting instructions, it shall be understood that the representative will vote in favour of the proposals submitted by the Board of Directors. The representative may represent more than one shareholder without limitation as to the number of shareholders represented and may cast votes in different directions depending on the instructions given by each shareholder.

In the event that instructions cannot be given because voting relates to matters not included on the agenda or no voting instructions have been given regarding proposals not proposed by the Board of Directors, the representative will vote in the way that they deem most appropriate given the interests of the Company and the party they represent.

Any delegation that does not contain the name of the person to whom it is delegated shall be deemed to be conferred in favour of the Chair of the General Meeting.

Unless otherwise indicated by the represented party, if the representative has a conflict of interest, it shall be understood that the represented party has also appointed the Secretary of the General Meeting as a representative, severally and successively.

For the purposes of the provisions of articles 523 and 526 of the Capital Companies Act, it is stated that the Chair of the General Meeting, if they are Chair of the Board, or any other member of the Board of Directors, may have a conflict of interest (i) with respect to items 3 ("Approval of the management of the

Board of Directors during the financial year ending on 31 December 2017”), 5 (“Approval of the modification of the Directors’ Remuneration Policy”), if this is the case, 6th (“Setting of the number of members of the Board of Directors. Appointments, ratifications and re-elections of the members of the Board of Directors”) and 11th (“Consultative vote on the Annual Report on Directors’ Remuneration corresponding to the financial year ending on 31 December 2017”) of the agenda; and (ii) in the cases set forth in article 526.1 of the Capital Companies Act (appointment, re-election or ratification of directors, dismissal, removal or departure of directors, exercising of derivative action and approval or ratification of company operations with the director in question) that could occur off the agenda according to the Law.

The personal attendance of a shareholder at the Meeting shall revoke any delegation that may have been made previously, as will the disposal of their shares of which the Company becomes aware at least five days before the date scheduled for holding the meeting on the first call. Likewise, the delegation will always be revocable by the same means used to make it.

Moreover, shareholders with attendance rights may cast their vote by personally attending the General Meeting or by distance voting using the following means:

(i) By post:

To exercise the right to distance voting by this means, the shareholder must send a letter, including the vote with the attendance and voting card duly completed and signed in the space reserved for voting, to the registered office, Corporate Secretariat, Cellnex Telecom, S.A., Juan Esplandiú, 11-13 28007 de Madrid.

(ii) By electronic means:

The shareholders with a right to attend may also exercise their voting right through electronic means. For this, the shareholder must have an electronic signature certificate.

The issuing of the vote by electronic means must be carried out through the company’s website (www.cellnextelecom.com), following the instructions which are given in each of the screens of the program created for this purpose.

For the purpose of proving their identity, shareholders who wish to vote by electronic means must gain access using an electronic signature certificate, following the instructions contained in the “Ordinary General Meeting 2018 / Electronic vote” area of the website.

The distance vote must be received by the company at least five days before the date scheduled for holding the meeting on the first call, i.e. before 23:59 hours on 24 May 2018. The shareholders who cast their vote in the terms indicated will be considered as present for the purposes of constituting the meeting. Therefore, delegations issued previously shall be deemed revoked and those subsequently conferred will be deemed as not performed.

Shareholders who cast their votes by post or email and do not mark any of the boxes intended to indicate the vote regarding the items on the agenda, will be understood to wish to vote in favour of the respective proposals made by the Board of Directors. Unless expressly stated otherwise, and in relation to the proposed resolutions not formulated by the Board of Directors and items not included on the agenda, the representation is deemed to be conferred on the Chair of the General Meeting, applying the rules on the direction of the vote and substitution in the event of a conflict of interest applicable to the representation of shareholders in the General Meeting.

Votes cast by remote communication means shall be rendered void in the event of the physical attendance at the meeting of the shareholder who had issued them or by the disposal of their shares of which the Company becomes aware at least five days before the date scheduled for holding the meeting on the first call.

Notwithstanding the foregoing, the following order of preference between representation and distance voting is also established for the avoidance of doubt:

- When the shareholder validly confers the representation by means of electronic communication and, in addition, also confers it by means of the attendance, delegation and distance voting card printed and issued by the entities forming part of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores (Iberclear) or a body that replaces it or by the company itself, the latter will prevail over that carried out by electronic communication, regardless of their respective granting dates.
- In the event that a shareholder validly makes several delegations or issues several votes by electronic communication, the last presentation or the last vote issued that has been received by the Company within the established period shall prevail.

Likewise, any of the co-owners of a share deposit may vote, delegate or attend. For the purposes of article 126 of the Capital Companies Act, it is presumed that the co-owner who at any time performs an action (attendance, delegation or vote) is designated by the other co-owners to exercise the shareholder rights.

The Company reserves the right to modify, suspend, cancel or restrict the electronic voting and/or delegation mechanisms when technical or security reasons advise or require this.

The Company shall not be liable for any damages that may be caused by overloads, faults, dropping of lines, connection failures or similar eventualities beyond its control that temporarily prevent the use of the systems for delegation and/or voting by electronic means.

MINUTES OF THE MEETING

The shareholders are informed that the Board of Directors, in order to facilitate the preparation of the minutes of the meeting, has agreed to request the presence of a Notary who will attend the Meeting and issue the corresponding notarial deed, in accordance with Article 203 of the Capital Companies Act.

PERSONAL DATA PROTECTION

In accordance with the provisions of Organic Law 15/1999 of 13 December on the Protection of Personal Data, the personal data of the shareholders and, where appropriate, of their representatives, provided to the company by those shareholders, their representatives or by the banking entities and securities companies and agencies in which those shareholders have deposited their shares, through the entity legally authorised to maintain the Shareholders' Register, will be incorporated in a file which is the responsibility of Cellnex Telecom, S.A., in order to manage the development, compliance and control of its shareholder relations.

The entire General Meeting will be subject to audiovisual recording and will be broadcast on the website of Cellnex Telecom, S.A. (www.cellnextelecom.com). Attendance at the General Shareholders' Meeting implies consent for the recording and broadcasting of the image of the attendees.

Moreover, the shareholders are informed of the option to exercise their right of access, rectification, cancellation and opposition in writing, addressing this to Cellnex Telecom, S.A., Juan Esplandiú, 11-13 28007 de Madrid (Ref. Personal data – Corporate Secretariat).

If the attendance, delegation and distance voting card includes personal data relating to natural persons other than the owner, the shareholder must inform them of the contents of the previous paragraphs and comply with any other requirements that may apply for the correct transfer of the personal data to the company, without the company having to perform any additional actions.
