**REPORT SUBMITTED BY THE BOARD OF DIRECTORS OF CELLNEX TELECOM, S.A. IN RELATION TO
THE PROPOSAL REGARDING EIGHTH POINT OF THE AGENDA OF THE COMPANY'S ORDINARY
GENERAL SHAREHOLDERS' MEETING TO BE HELD ON 27 APRIL 2022, ON FIRST CALL, AND ON 28
APRIL 2022 ON SECOND CALL**

1. OBJECT OF THIS REPORT

This report (the "**Report**") is issued pursuant to the provisions of Articles 286, 297 and 300 of the Spanish Companies Law (*Ley de Sociedades de Capital*), the Restated Text of which was approved by Royal Legislative Decree 1/2010, of 2 July (the "**Spanish Companies Law**"), *et seq* of the Commercial Registry Regulations approved by Royal Decree 1784/1996, of 19 July (the "**Commercial Registry Regulations**"), to justify the proposal for a resolution which is submitted to approval by the Ordinary General Shareholders' Meeting of Cellnex Telecom, S.A. ("**Cellnex**" or the "**Company**"), under the eighth point of the Agenda, relating to an increase of the Company's share capital by means of non-monetary contributions.

On 29 March 2021, the Ordinary General Shareholders' Meeting approved a resolution to increase the share capital by means of non-monetary contributions (the "**Original Share Capital Increase**"). The Original Share Capital Increase was proposed to the shareholders in the context of the transaction agreed on 12 November 2020 between Cellnex, Cellnex UK Limited and certain entities of the CK Hutchison group for, among other matters, the acquisition by Cellnex UK Limited of approximately 6000 masts and telecommunications sites (or economic rights over them) that CK Hutchison Networks Europe Investments S.à r.l. has in the United Kingdom (the "**Acquisition**"). Said agreement entailed the payment of approximately 8.6 billion euros in cash and the possibility for Cellnex to pay the remaining amount in shares in the Company. The Original Share Capital Increase, which was set in this context, was proposed as part of the consideration to be received by the Luxembourg company CK Hutchison Networks Europe Investments, S.à r.l. (the "**Contributing Entity**") in the context of the aforementioned agreement.

The Company has completed, as of today's date, the acquisition of CK Hutchison's masts and telecommunications sites located in Sweden, Denmark, Ireland, Austria and Italy, with only the acquisition of the assets located in the United Kingdom remaining to be completed.

The Original Share Capital Increase resolution authorized the Board of Directors to develop, implement and execute the Original Share Capital Increase resolution, in the terms foreseen in section 8 and in article 297.1.a) of the Spanish Companies Act. On the date on which the Company's Ordinary General Shareholders' Meeting meets again, such delegation shall have expired due to the lapse of the one-year period stipulated in the aforementioned article 297.1.a) of the Spanish Companies Act without, presumably, all of the conditions to which the Original Share Capital Increase's execution was subject, having been satisfied.

For this case, the Original Share Capital Increase expressly contemplated that in the event that, after one year from the date of the resolution, the satisfaction of any conditions to which the execution of the share capital increase was subject, was still pending, the Board of Directors would be able to submit for the approval of the General Shareholders' Meeting a new resolution for a non-monetary

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

contribution share capital increase.

Being still current, on the date hereof, the reasons that made the Board of Directors consider that the Original Share Capital Increase proposal was fully justified in attention to the benefits that it had to provide to the Company and, by extension, to all of its shareholders, it is the intention of the Board of Directors to propose to the Ordinary Shareholders' Meeting the adoption of a new share capital increase resolution (the "**Share Capital Increase**") in equal terms to those of the Original Share Capital Increase, being the latter formally revoked.

The Board of Directors hereby expressly notes that the only differences between the Original Share Capital Increase and the new resolution that, in this document, is proposed to the Ordinary General Shareholders' Meeting of the Company relate to the conditions to which the execution of the Original Share Capital Increase was subject to and, in particular, in relation to:

- i. the adaptation of the Antitrust Condition to the situation resulting from the final report of the competition authority of the United Kingdom (the Competition and Markets Authority or "**CMA**") published on 3 March 2022, in connection with the Acquisition, and
- ii. the obtaining, on 8 March 2022, of the approval of the Acquisition by the United Kingdom foreign investment and national security authorities.

By virtue of the Share Capital Increase, the Company is expected to issue new shares that will be fully subscribed by the Contributing Entity, in exchange for a non-monetary contribution consisting of a credit right, in the terms and conditions set out in this Report.

In compliance with the provisions of Article 300.1 of the Spanish Companies Law, the object of this Report is as follows:

- To describe the non-monetary asset items whose contribution is proposed as consideration for the Share Capital Increase and give their valuation;
- To determine the amount of the Share Capital Increase, the number of shares that will be issued and the share premium;
- To specify those persons who are to make the non-monetary contribution and receive the new shares; and
- To list the guarantees put in place, as the case may be, to ensure the enforceability of the Share Capital Increase according to the asset type of the non-monetary contribution.

2. JUSTIFICATION FOR THE PROPOSAL

As stated above, the Share Capital Increase being proposed to the Ordinary General Shareholders' Meeting is set in the context of the agreement reached between the Company and the CK Hutchison group, specifically consisting of an alternative to paying part of the price in cash, as is to be done in the Acquisition. Although the closing of the Acquisition is not in itself subject to the execution of the

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

Share Capital Increase, the Board of Directors feels that its execution will benefit the Company, since it should entail the following advantages:

- (i) It will add, to the Company's capital as a significant shareholder, the CK Hutchison group, one of the Company's main customers, thereby establishing a long-term relationship and one of mutual interest and thus aligning their objectives and interests, without endangering Cellnex's neutral stance as a telecommunications infrastructure operator; and
- (ii) It will bolster the Company's equity, increasing it by more than one billion, three hundred million euros between capital and share premium, thereby strengthening its financial structure and allowing for a lower level of indebtedness.

In addition, pursuant to the provisions of Article 297.1.a) of the Spanish Companies Law, the General Shareholders' Meeting, when fulfilling the requirements established for amending Articles of Association, may delegate upon the Board of Directors the power to set the date on which the share capital increase resolution already passed is to become effective for the agreed amount and to set the conditions of such capital increase for those aspects not expressly set out in the General Shareholders' Meeting's resolution, provided that the deadline for exercising this power does not exceed one year. Thus, in light of this possibility, the justification for the proposal for a resolution that is subject to approval by the Ordinary General Shareholders' Meeting lies in the appropriateness of giving directors an instrument, without requiring another General Shareholders' Meeting of shareholders to be held, with which they can implement and execute the Share Capital Increase resolution previously passed, within the limits and in the terms and conditions and timeframes decided by the Ordinary General Shareholders' Meeting.

To fulfil both the Company's aim and the obligations it has assumed in the context of the Acquisition as set out in this Report, which will be made available to shareholders when the Ordinary General Shareholders' Meeting is called, it is proposed that the Company's share capital be increased by means of non-monetary contributions for a total amount (including the nominal value of the new shares issued and the corresponding share premium) of one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612.00 euros), through the issue of twenty-seven million, one hundred and forty-seven thousand, six hundred and fifty-one (27,147,651) shares (the "**New Shares**"), that will be of the same class and series as those currently issued. The Share Capital Increase is furthermore done with no pre-emptive subscription right, since it consists of an increase made by means of non-monetary contributions (Art.304.1 of the Spanish Companies Law), which will be fully subscribed by the Contributing Entity and executed, as the case may be, only once through the issue of the corresponding New Shares.

The Board of Directors feels that this proposal is fully justified because of the benefits it should bring to the Company and, by extension, to all of its shareholders.

Lastly, the powers that will be attributed to the Board of Directors in order to complete and implement any aspects not expressly set out in the resolution of the Ordinary General Shareholders' Meeting, in the event it is passed, will include powers to expressly substitute and/or subdelegate, so as to give the management body the ability to comply with the resolution quickly and efficiently.

In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

Consequently, the Company's Board of Directors proposes submitting the Share Capital Increase to approval by the Ordinary General Shareholders' Meeting, in the terms described in this Report below.

3. SHARE CAPITAL INCREASE BY NON-CASH CONTRIBUTION

3.1 Amount of the Share Capital Increase, number and value of the shares to be issued

The proposed resolution consists of obtaining approval for and executing an increase in the Company's share capital by means of non-monetary contributions, for an amount that, adding together the nominal value of the New Shares and the amount of the share premium, will total one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros), which is the value attributed to the contribution to be made by the Contributing Entity, by means of the issue of New Shares, which will be ordinary shares belonging to the same class and series as the existing ones and which will also attribute the same political and economic rights.

The proposed resolution envisages the issue of twenty-seven million, one hundred and forty-seven thousand, six hundred and fifty-one (27,147,651) New Shares, that will be of the same class and series as those currently issued. The share capital increase of Cellnex will be increased in the amount of six million, seven hundred and eight- six thousand, nine hundred and twelve euros and seventy-five cents (6,786,912.75 euros).

The New Shares will be issued with an overall share premium of one billion, three hundred and forty-five million, four hundred and ninety-four thousand, six hundred and ninety-nine euro and twenty-five cents (1,345,494,699.25 euros).

The New Shares will be subscribed by the Contributing Entity and will be fully paid up by the latter through the contribution of a credit right, as explained in section 3.3 of this Report (the "**Credit Right**"), provided that the Conditions to which the execution of the Share Capital Increase is subject have been met (or their compliance has been waived, when legally possible), as established in section 3.7 of this Report.

3.2 Applicable legal regime

The Share Capital Increase will be governed by the provisions of the Spanish Companies Law; specifically those of Chapters I and II of Title VIII (amendment of the articles of association and share capital increases, respectively) and those of Chapters I and II of Title III (capital contributions).

3.3 Description of the Credit Right to be contributed

The Credit Right, which will form part of Cellnex's assets following the execution of the Share Capital Increase, consists of a credit right to be held by the Contributing Entity against CK Hutchison Networks (UK) Limited, an English law entity, incorporated as a limited liability company, with registered address at Star House, 20 Grenfell Road, Maidenhead, Berkshire (United Kingdom – SL6 1EH) and recorded at Companies House for England and Wales under number 12985914 ("**CK Hutchison UK**"), for the amount of one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six

hundred and twelve euros (1,352,281,612 euros), and which will be due and payable on the execution date of the Share Capital Increase resolution.

The New Shares in the Company that will be issued by virtue of the proposed Share Capital Increase will be subscribed by the Contributing Entity by contributing the Credit Right, in the terms envisaged in Article 300 of the Spanish Companies Law and Article 168.2 of the Commercial Registry Regulations.

The Credit Right will amount to one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros), a valuation that must be confirmed by means of a report issued by an independent expert appointed by the Commercial Registry for that purpose, pursuant to the provisions of Article 67 of the Spanish Companies Law and Article 338 of the Commercial Registry Regulations and related articles. In any event, the report will have to confirm that the valuation of the Credit Right corresponds, at least, to the nominal value and share premium of the New Shares issued as a result of the Share Capital Increase.

3.4 Contributing entity

The non-monetary contribution will be made by CK Hutchison Networks Europe Investments S.à r.l. (i.e. the Contributing Entity and holder of the Credit Right), a company incorporated and existing in accordance with the laws of Luxembourg, with registered address at 7, rue du Marché-aux-Herbes, L-1728 (Luxembourg), recorded at the Luxembourg Trade and Companies Register under number B74650.

3.5 Representation of New Shares

The New Shares will be represented by book entries, to be recorded by the management company of the Spanish entity *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U.* (Iberclear) and its participant entities.

3.6 Non-existence of pre-emptive subscription right

The proposed Share Capital Increase does not involve a shareholders' pre-emptive subscription right over the New Shares, as it is a capital increase by means of non-monetary contributions, pursuant to Article 304 of the Spanish Companies Law.

3.7 Conditions to which the execution of the Share Capital Increase is subject

The execution of the Share Capital Increase is subject to the report, issued by the independent expert appointed by the Commercial Registry to determine the value of the Credit Right to be contributed, confirming that its valuation corresponds to the nominal value of the New Shares and to the share premium they are issued with and, ultimately, to the global amount of the Share Capital Increase (i.e. one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros)).

Additionally, in order to proceed to execute the Share Capital Increase resolution, the following conditions precedent must first be met (or must have been waived, to the extent legally possible), which correspond to those agreed in the context of the Acquisition (the "**Conditions**"):

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. - (ii) The Shareholders must not have been presented with any takeover bid, pursuant to Royal Decree 1066/2007, of 27 July, on the regime governing takeover bids, for the acquisition of some or all of the Shares into which the Company's share capital is divided, or a bid for the merger, concentration or another type of operation involving the taking of control, resulting in the majority of the voting rights that would normally correspond to the Company's General Shareholders' Meeting now corresponding to the bidder and/or to its related parties, and/or to any entities acting in concert with the bidder and/or its related parties;
- (iii) The agreement setting out the terms of the Acquisition must not have been terminated for any reason, and the Parties thereto must proceed to close the Acquisition simultaneously to the execution of the Share Capital Increase resolution.

3.8 Listing

A request is expected to be made for all the New Shares issued by virtue of this Share Capital Increase to be listed for trading on the Madrid, Barcelona, Bilbao and Valencia securities exchanges (*Bolsas de Valores*) via Spain's Electronic Securities Trading System (Continuous Market). All necessary steps and formalities are likewise expected to be taken and the required documents submitted before the competent authorities.

3.9 Amendment of Article 6 of the Articles of Association

As a result of the Share Capital Increase described in this Report, Article 6 of the Company's Articles of Association will be amended to indicate the new share capital figure, following the execution of such increase.

For the purpose of Article 286 of the Spanish Companies Law, it is hereby noted that only part of the current wording of Article 6 of the Company's Articles of Association will be amended; namely that part referring to the new share capital figure and the number and value of the shares into which such capital is divided, which will be amended accordingly following the execution of the Share Capital Increase. 3.12 Other matters relating to the Acquisition

Such adjustment, which has a purely contractual significance and does not affect in any way the terms of the Share Capital Increase, will be effected, if applicable, by means of Cellnex's shares transfers or, if agreed between Cellnex and the Contributing Entity, by cash payments.

4. PROPOSED RESOLUTION FOR SUBMISSION TO THE ORDINARY GENERAL SHAREHOLDERS' MEETING

The full text of the proposed resolution for a share capital increase submitted to the Ordinary General Shareholders' Meeting for its consideration and approval, as the case may be, is as follows:

Note: This document is a translation of a duly approved Spanish language document, and is provided for information purposes only. In the event of any discrepancy between the text of this translation and the text of the original Spanish language document which this translation is intended to reflect, the text of the original Spanish language document shall prevail.

FIRST.- APPROVAL OF THE SHARE CAPITAL INCREASE BY MEANS OF NON-MONETARY CONTRIBUTIONS, FOR A NOMINAL AMOUNT OF EUR 6,786,912.75, TO BE SUBSCRIBED AND PAID IN BY THE LUXEMBOURGER ENTITY CK HUTCHISON NETWORKS EUROPE INVESTMENTS S.À R.L., WITHIN THE FRAMEWORK OF THE AGREEMENT SIGNED ON 12 NOVEMBER 2020 BETWEEN CELLNEX, CELLNEX UK LIMITED AND CERTAIN CK HUTCHISON GROUP ENTITIES. DELEGATION FOR EXECUTION BY THE BOARD OF DIRECTORS, PURSUANT TO THE PROVISIONS OF ARTICLE 297.1.A) OF THE SPANISH COMPANIES LAW. APPLICATION FOR LISTING OF THE NEW SHARES.

On 29 March 2021, and in the context of the agreement signed on 12 November 2020 between Cellnex, Cellnex UK Limited and certain entities of the CK Hutchison group for, among other matters, the acquisition by Cellnex UK Limited of approximately 6000 masts and telecommunications sites (or economic rights over them) that CK Hutchison Networks Europe Investments S.à r.l. has in the United Kingdom (the "**Acquisition**"), the Ordinary General Shareholders' Meeting of Cellnex Telecom, S.A. approved a non-monetary share capital increase (the "**Original Share Capital Increase**"), the execution of which was subject to the previous satisfaction of certain conditions.

Furthermore, the Ordinary General Shareholders' Meeting of the Company agreed to delegate on the Board of Directors, with express substitution and subdelegation powers, the power to develop, formalize and execute the Original Share Capital Increase resolution, in the terms foreseen in section 8 and in article 297.1.a) of the Spanish Companies Act. Said delegation has expired due to the lapse of the one-year period stipulated in the aforementioned article 297.1.a) of the Spanish Companies Act, without the conditions to which the execution of the Original Share Capital Increase was subject (section 5) having been satisfied in full.

As a result of the above and in light of the report from the Board of Directors justifying it, issued to that end on 24 March 2022 and made available to shareholders as of the announcement of the Ordinary General Shareholders' Meeting (the "**Report**"), it is hereby agreed to approve a new non-monetary share capital increase resolution in the terms foreseen on the Report (the "**Share Capital Increase**").

1.1 Amount of the Share Capital Increase, number and value of the shares to be issued

It was resolved to increase the share capital of the Company by means of non-monetary contributions, for an amount of six million, seven hundred and eight- six thousand, nine hundred and twelve euros and seventy-five cents (6,786,912.75 euros) by means of the issue of twenty-seven million, one hundred and forty-seven thousand, six hundred and fifty-one (27,147,651) new shares, which will be ordinary shares belonging to the same class and series as the existing ones and which will also attribute the same political and economic rights (the "**New Shares**").

The New Shares will be issued with an overall share premium of one billion, three hundred and forty-five million, four hundred and ninety-four thousand, six hundred and ninety-nine euro and twenty-five cents (1,345,494,699.25 euros), so that this amount, added to the nominal value of the New Shares issued, totals on aggregate one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros), which is the value attributed to the non-monetary contribution described in the following section.

The Credit Right, which will form part of Cellnex's assets following the execution of the Share Capital Increase, consists of a credit right to be held by the Contributing Entity against CK Hutchison Networks (UK) Limited, an English law entity, incorporated as a limited liability company, with registered address at Star House, 20 Grenfell Road, Maidenhead, Berkshire (United Kingdom – SL6 1EH) and recorded at Companies House for England and Wales under number 12985914 ("**CK Hutchison UK**"), for the amount of one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros), and which will be due and payable on the execution date of this Share Capital Increase resolution.

The Credit Right will amount to one billion, three hundred and fifty-two million, two hundred and eighty-one thousand, six hundred and twelve euros (1,352,281,612 euros), a valuation that must be confirmed by means of a report issued by an independent expert appointed by the Commercial Registry for that purpose, pursuant to the provisions of Article 67 of the Spanish Companies Law and Article 338 of the Commercial Registry Regulations and related articles. In any event, the report will have to confirm that the valuation of the Credit Right corresponds, at least, to the nominal value and share premium of the New Shares issued as a result of the Share Capital Increase.

Additionally, in order to proceed to execute the Share Capital Increase resolution, the following conditions precedent must first be met (or must have been waived, to the extent legally possible), which correspond to those agreed in the context of the Acquisition (the "**Conditions**"):

- (i) That, in accordance with the final report by the competition authority of the United Kingdom (Competition and Markets Authority or "**CMA**") in connection with the Acquisition, published on 3 March 2022, the CMA accepts the final undertakings offered by the Company in accordance with section 82 of the Enterprises Act, and that the Company has implemented the actions required under such final commitments (the "**Antitrust Condition**");
- (ii) The Shareholders must not have been presented with any takeover bid, pursuant to Royal Decree 1066/2007, of 27 July, on the regime governing takeover bids, for the acquisition of some or all of the Shares into which the Company's share capital is divided, or a bid for the merger, concentration or another type of operation involving the taking of control, resulting in the majority of the voting rights that would normally correspond to the Company's General Shareholders' Meeting now corresponding to the bidder and/or to its related parties, and/or to any entities acting in concert with the bidder and/or its related parties;
- (iii) The agreement setting out the terms of the Acquisition must not have been terminated for any reason, and the Parties thereto must proceed to close the Acquisition simultaneously to the execution of the Share Capital Increase resolution.

1.6 Listing

A request is expected to be made for all the New Shares issued by virtue of this Share Capital Increase to be listed for trading on the Madrid, Barcelona, Bilbao and Valencia securities exchanges (Bolsas de Valores) via Spain's Electronic Securities Trading System (Continuous Market).
