CERTIFICATE

Cellnex Foundation

Has offset 111 tons of CO₂ equivalents for the year 2023

With:

GS Tamil Nadu Wind India credits

Climate Neutral Group invests in emission reduction projects which combine energy, environment and developmental solutions into sustainable business opportunities in developing countries.

Our offset projects are carefully selected for their wider social and environmental benefits. These socially progressive projects simultaneously reduce carbon emissions and improve the quality of life of people who are threatened by the impacts of climate change. As such, they are a powerful tool for sustainable development.
